TO: Mr. John Childers, Minority Counsel  
Committee on Governmental Affairs  
United States Senate

6 July 1978

John:

To follow-up our discussions last week concerning the Civil Service Reform legislation, I am attaching a copy of a letter and suggested report language for provisions in the legislation that I have sent to Paul Rosenthal on the Majority Staff. Any thoughts you might have would be appreciated. Let's keep in touch on this matter.
